Macbeth Projects

Choose one of the following projects. All projects are due to be presented to the class when we finish reading Macbeth, so be prepared. A due date will be determined as we progress through the play. This assignment will count as a project grade. Be wise in your choice and choose a project that plays to YOUR strengths. Be sure to follow directions for the project you choose to do, and if you have questions, ASK ME!!! 😊

Most Wanted Poster - Macbeth has enough villains and suspected villains to cover an entire post office wall with wanted posters. On ½ sheet of poster paper, create a “Most Wanted” poster for one of the characters/the witches/the assassins) from Macbeth. Your poster must show (8 pts. each)
- who seeks the criminal
- description of the criminal
- a sketch/picture of the criminal
- a description of the crime(s) (s)he committed (use complete sentences)
- reason(s) why (s)he should be arrested (use complete sentences)
- the area in which (s)he is wanted
- a description of the reward being offered (in English pound: £)
- contact information for those with information on the criminal
- effective visual (can be seen throughout the room)
- creative use of color and space
- ½ sheet poster paper or larger
- contains no spelling errors

In your presentation, you must explain what you did, why you did it, and how you did it.

Board Game – Create a board game for Macbeth. Involve as many characters, places, events, and images as you can. Write a set of rules and create game pieces.

Story Board – Create a digital story board with at least 10 detailed images that tell the story of “Macbeth.” Include captions for the images in a Word document. You will present the story board to the class. Each image must include:
- the Act the comic strip is portraying
- at least six window panes
- captions/explanations for each of the window panes (Use complete sentences.)
- characters must be clearly labeled or recognized through their dialogue
- must be in chronological order

Comic Strip – Choose one Act from Macbeth and sketch in different panes/windows the activities/behaviors that occurred in that act. Each comic strip needs to include:
- the Act the comic strip is portraying
- at least six window panes
- captions/explanations for each of the window panes (use complete sentences)
- characters must be clearly labeled or recognized through their dialogue
- must be in chronological order

Scotland Illustrated - On a poster, draw and illustrate a map of Scotland, marking key locations from the play (Glamis, Dunsinane, Inverness, Fife, Scone, Birnam Wood, Northumberland, Cawdor, Ross, North Sea, England etc.). Include pictures/ drawings/clip art on the map, and write a 3-sentence explanation of the action that took place there.
Re-Write a Scene – Write a 2-page scene based on a section of “Macbeth,” but set it somewhere else, like an urban ghetto or a mental ward. Be true to the plot, but make sure the characters fit the setting. Include at least 5 vocabulary words from the play and show instances of foreshadowing and irony.
